BRYON WIEBOLD

ABOUT BRYON

Bryon Wiebold's tenure at Tenstreet has been defined by a commitment to transformative solutions in driver management. His team's focus on Software as a Service (SaaS) innovations has reshaped how trucking companies approach efficiency and driver engagement, leveraging strategic partnerships to foster industry advancements. Bryon has served a four-year mayoral term in Farmersville, TX. This unique blend of public service and industry expertise underscores his dedication to the betterment of both the trucking sector and local communities through collaborative efforts and technology adoption.

Veterans will submit themselves to a process as long as that process gets them from A to B in an efficient way.”

“If you offer them a streamlined process, they’re going to be fiercely loyal.”

-Bryon quoted in FreightWaves article:

Hiring veterans: Lifting up those who serve 11/25/24
